Meadowlark Park (Edmonton), Edmonton, AB

Buckle up, because this house in Meadowlark Park is about to make your jaw drop. This isn't just a home—it's the good life, and you're invited! Kick open the door (gently) and bam—you're hit with an open-concept stunner that's so bright and airy you'll feel like you're floating on a cloud, and the massive windows? They're basically begging you to strike a pose. The kitchen is a total glow-up, with smooth granite countertops. The fireplace in the living room? It's cozier than your grandma's hugs. Let's talk about the four bedrooms—yep, four! The master suite is your personal sanctuary. The other three bedrooms are straight-up MVPs: one for the kids, one for guests, one for your Peloton. Across the street, Meadowlark School is so close you can practically roll out of bed and into class, just wave at the kids from the living room as they walk to school.
